

Privacy Notice

Medical Auditing Solutions LLC (“MAS”) requires a Business Associate Agreement (“BAA”) from all clients when working with Protected Health Information. MAS maintains limited PHI only for the duration of the need to complete a project. MAS will only release PHI as indicated in the BAA, or with written permission and instructions from the Covered Entity (“CE”), or verbally if the CE has brought someone into a conference in their presence. MAS maintains encryption and security protocol on their systems as well as other policies that are applicable.

Complaints of Compliance, Privacy or Security Violations may be addressed to:
